Welcome to Concordia Basketball

The Concordia Stingers men's and women's basketball teams have set the league championship and trips to the CIAU National Championships as their goals for the 1993-94 season. The thought of a league title may seem old hat to the men's team, a Quebec Championship for the women is a relatively recent idea.

The men have captured four consecutive league championships (as well as the National title in 1990) while the women have qualified for the league play-offs just once since 1985. They enter this season with one of the more talented teams in the school's history, a throwback to the glory days of the early 80's when the Stingers were regular participants at the CIAU Nationals.

"Our rebuilding phase has been completed" notes head coach Mike Hickey, "We now have the players with the talent and attitude needed to be a National contender. We have had two excellent recruiting years but more importantly our veterans have provided the leadership needed."

The Women Stingers had some dominant teams in the early 80's (finishing 5th in '81, 3rd in '84 and 4th in the '85 CIAU Nationals), but hit hard times in the late 80's. Last year's third place league finish was the team's best performance in eight years. "Last year we had to learn how to win games", Hickey explained, "We had to overcome mistakes and remain focused when things did not go our way. We got a little taste of victory last year and it provided the impetus for a summer of hard work and dedication. This year our goal is straightforward - to win the QSSF and advance to the CIAU Championships. Nothing else will be acceptable."

The women Stingers feature a well-balanced attack led by a pair of Quebec All-Star guards, Sharon Sandy and Tanya Guitman. Veterans Linda Benjamin and Jennie Smith provide coach Hickey with a quick aggressive talent. The front line is deep and also talented. League All-Star Pat Demers, Lori Lozo, Isabella Bernier, Terri Viglione and Julie Kinsella are joined by rookie Eva Samore to give the Stingers a powerful inside game.

The Stingers first big test will come at the Concordia Classic (November 12 - 14), when five nationally ranked teams invade the Loyola Campus for a three day tournament.

While the women's team strives to regain lost prestige, the men's team continues to dominate Quebec. However winning has not become blasé for coach Dore and his squad.

"Each year we have new challenges and goals to meet," the veteran coach stated. "While I feel we are definitely the team to beat in our conference, we have to replace some key players. This team, without Dexter (John), Raf (Tyrrell) and Sully (Pat Sullivan) will be different, but, hopefully, it will be just as good."

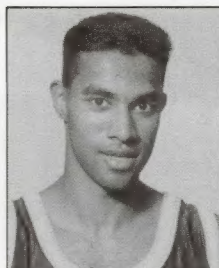

Certainly there is a solid nucleus. Robert Ferguson and Emerson Thomas, two seasoned veterans, provide the leadership on and off the court for the Stingers. Forwards Eric Corej, Fred Arseneault, J.P. Reimer, Gaetan Prosper, Emile Bigelow and guard Benoy Jacob have all gained valuable experience last season and at the National Championships. The key to how far the Stingers will advance this year may be the play of the rookies. CEGEP All-Canadians Steve Thomas and Maxime Bouchard join Dawson graduates Dan Furlong and Scott Mawhinney to give coach Dore a talented squad.

The men's team plays one of the most competitive schedules in the country, participating in the Laurentian Tournament, the UPEI Invitational, the Golden Ball Classic, their own Nike Centennial (Oct. 29-30) as well as playing exhibition games against US Military Academy and St. Michael's College. Come playoff time, the Stingers will be primed to defend their league crown and another run at the **National Championships**.

Frederic Arsenault 6'9" Center

Frederic is returning to mid-season form after undergoing surgery this past summer... hard working player who gets better with every practice and game... potential national team member... Montreal, Que., 2nd year Commerce

Mike Hickey, Women's Head Coach

Mike returned to the Stinger coaching staff in 1991 and quickly began to build the Stingers into playoff contenders. Although the Stingers managed only 2 wins in league play that year, the level of play was greatly improved. With the development of the eight returning veterans and the recruitment of seven solid players from the CEGEP and high school ranks, coach Hickey feels the team will once again be vying for the league championship. He began his university coaching career when he took over the reigns of the Sir George Williams Georgians in 1973, directing them to a 56-18 record including back-to-back trips to the Nationals in a two-year stint. With the merger of Loyola and Sir George Williams in the spring of 1975, Mike assumed the role of women's coach of Concordia. Coach Hickey has been named on three separate occasions as Quebec University Athletic Association "Coach of the Year". In 1985 he was appointed assistant coach of the National Women's team, under head coach Wayne Hussey, a position he held until 1988. Mike played one year of NCAA ball at St. Michael's College (Vermont) where he obtained a B.A. degree in 1971. He was Q.U.A.A. All-Star while taking graduate studies at Sir George Williams in the early 1970's.

John Dore, Men's Head Coach

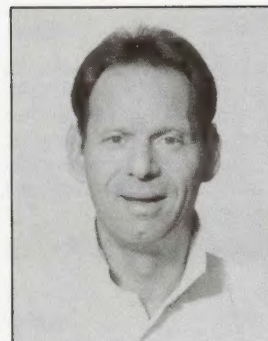

The honours continued to pour in for head coach John Dore last year as he was selected Coach of the Year. John who directed the Stingers to a CIAU National title in his first year as head coach in 1990, was named the "CIAU National Coach of the Year" in 1991 in a vote by his coaching peers. Under Dore's tutelage, the Stingers continue to impress hoop fans with their aggressive, disciplined style of basketball.

The Stingers, under coach Dore's direction, made basketball history in 1990 when the first-year coach guided Concordia to a National Championship, a first for Quebec men's teams.

A native of Queen's, New York, John came to Montreal in 1971, and played four years on the Loyola and then Concordia basketball teams. He was voted to the league all-star team three times and represented the school in three national championships.

Upon graduation, John accepted a position as department head of physical education at Sir George's High School and served as assistant basketball coach of the Concordia's women's team. His coaching career then took him to Vanier College where he compiled a 35-25 record and two playoff appearances in two years. He returned to his alma mater in 1982 to become Doug Daigneault's number one assistant. He remained in that capacity until June 1990 when he was selected to replace Doug Daigneault.

John has been involved with the Sun Youth "Youth-East" team for three years and also coached the Quebec Junior Elite squad. During the summer months John is the coordinator of the Fast Break Basketball Camp. This past summer he was the assistant coach of the Canadian Student National Team that won the silver medal in Buffalo at the F.I.S.U. Games.

Harvey Liverman, Men's Assistant Coach

Coach Dore is quick to credit assistant coach Harvey Liverman for his major contribution to the Concordia cage success over the years.

Harvey provides the same dedication, enthusiasm and expertise to the Concordia basketball staff that he displayed as a player for the Loyola Warriors from 1968-72. Although surrounded by more talented and experienced Americans, Harvey's knowledge of the game and his work ethic made him a valuable member of the Loyola team that won an unprecedented 66 straight league victories. As John Dore's assistant, Harvey has contributed in several ways to the recent success of the Stingers.

A fine all-round athlete, Harvey excelled in basketball and baseball. While on route to three MVP seasons with the Northmount High School "hoopsters", Harvey averaged 33 points a game. As a slick-fielding third baseman with the St. Henri Juniors, he was scouted by the Philadelphia Phillies.

Harvey was instrumental in the Canadian team's bronze medal performance in the 1989 Maccabi Games as an assistant coach and is director of the highly successful Wingate Sports Camp at Pripstein's.
